

FIG. 1 is a perspective view of a printed circuit board assembly 100. The board features a grid of components including integrated circuits 118-1 through 118-13, resistors 134-1 through 134-8, and other electronic components 120-1, 122-1, 124-1, 126-1, 128-1, 130-1, 132-1, 140, 142, 144, 146, 148-1, 150. A coordinate system is shown with arrows 144 and 146.
